8.3 COMMON FAILURE POINTS

Risk: Condition-level deficiency under 42 CFR § 484.105. Potential termination of Medicare certification.

Mitigation: Maintain establishing documents, current roster, and quarterly minutes on file and readily accessible.

Risk: Surveyor will treat undocumented meetings as not having occurred.

Mitigation: Use Appendix D template; complete draft minutes within 14 calendar days.

Risk: Surveyors will cite passive governance as failure to exercise oversight.

Mitigation: Minutes must document specific discussion points, questions, directives, and assigned follow-up.

Risk: Surveyor will cite failure to ensure adequate management.

Mitigation: Fill or designate interim within 14 calendar days per Section 6.5.

Risk: OIG compliance program requirement; potential survey finding.

Mitigation: Enforce annual disclosure per Appendix B; Compliance Officer tracks compliance.

Risk: Surveyor will cite failure of governing body oversight of QAPI (42 CFR § 484.65 cross-reference).

Mitigation: Require quarterly QAPI report presentation and document Governing Body response.
